

# Brandon Janosky Named to the FinXTech 2017 Advisory Group

St. Louis, MO – [Detalus](#) Director and Portfolio Manager, Brandon Janosky, joins the 2017 [FinXTech Advisory Group](#).

---

[FinXTech](#), a division of Bank Director, connects FinTech companies, banks and influencers shaping the future of banking.

The Advisory Group includes a select number of technology startup founders, established technology providers, innovation leaders in banking, investors and government and non-government policy leaders - all of which make up the FinXTech ecosystem.

Janosky joins the elite 30-member group and brings his expertise in guiding community banks through the challenges of FinTech adoption.

"The banking industry is changing rapidly. I'm honored to be surrounded by other thought leaders and innovators who are committed to fostering relationships and sharing information to profoundly impact the banking industry and overall economic growth," said Janosky.

Advisors are charged with informing FinXTech with the changes that are constantly occurring within their industry and how these changes impact the financial community - allowing FinXTech to provide the most relevant and most up-to-date information to bank leaders across the U.S. This group also provides content to [FinXTech.com](#) and attends FinXTech events throughout the year. A select group will take part in the Best of FinXTech Awards judging panel.

Kelsey Weaver, president of FinXTech said, "We are happy to have this carefully curated group of thought leaders from around the financial industry join our FinXTech Advisory Group. We look forward to their contributions to assist banks and financial service firms stay on top of the trends and challenges facing the industry today."
